

Icom Australia Pty Ltd endeavours to support all legacy Icom products, however, due to the decreasing availability of components, some models are no longer supportable.

Because of this, **Icom Australia can only support and repair the radios listed in the table below effective from 1<sup>st</sup> Sept 2017.**

Please note that some models on the list have limited support and parts availability. We strongly suggest customers contact the Service Department via email before returning any products.

**Bold Type** : Limited support and Repair Parts.
